Checklist for guests

1. What do I have to mind when travelling to Kiel?
- ➢ Please show us a negative Covid-19 test result (antigen or PCR) not older than 48 hours. You must do a test before your arrival.
- ➢ If you are vaccinated completely (two vaccinations and at least 14 days since your last vaccination) or recovered from Covid-19, you do not have to show us any test result. Please show us your vaccination certificate or a verification of recovery (positive PCR test, at least 28 days ago, not older than 6 months) instead.
- ➢ Everyone older than 6 years must bring a test result.
- ➢ Please ask your host about current information before your arrival.
- ➢ Read the information and notes provided by the travelling destinations.

2. What is important when staying longer than 72 hours?
- ➢ You must show another negative Covid-19 test every 72 hours since your latest test.
- ➢ Everyone older than 6 years must show another test result again.

3. What is important when staying at a restaurant?

➢ **Indoor:**
- o Mind the contact restrictions: 10 people maximum. You do not count, if you are under 14 years old, vaccinated or recovered.
- o Register with your address (in writing or use the "luca-App" [more information in german](#)).
- o Wear a mask (ffp2 or medical) when you are leaving your seat.
- o Show a negative Covid-19 test result (antigen not older than 24 hours; PCR not older than 48 hours), if you are not vaccinated, recovered or younger than 6 years old.

➢ **Outdoor:**
- o Mind the contact restrictions: 10 people maximum. You do not count, if you are under 14 years old, vaccinated or recovered.
- o Register with your address (in writing or use the "luca-App" [more information in german](#)).
- o Wear a mask (ffp2 or medical) when you are leaving your seat.

4. Where can I do a Covid-19 test?
- ➢ You can find a list of all test centers in Kiel and surroundings here: https://bit.ly/2RK630m
